

## Sometimes life gets busy, and you can't always be there for your loved one. When this happens, call the VNA.

Perhaps the dishes have started to pile up at mom's house. Maybe your dad has started to miss important appointments. Or, you no longer feel comfortable knowing that your loved one is driving. When you notice signs that help is needed, don't wait – call the VNA.

Life gets busy, and you can't always be there to remind your loved one to take their medication or drive them to their appointments. But that doesn't mean you can't help. By enlisting VNA Private Care services, you will be offering your loved one a helping hand to live safely and independently at home.

## VNA Private Care services are here to help you, and your loved one, when you need us.

We believe that caregivers should be ideally suited to the needs of the client. Our professional staff match your needs to our qualified caregivers. VNA's trusted caregivers help with everyday tasks like meal preparation and assisting with bathing, providing transportation, setting up medication reminders and around-the-house responsibilities.

By enlisting VNA's Private Care services, your loved one will receive the help they need, receive engaging social interaction and allow you to focus on being the son, daughter, spouse or friend instead of a caregiver while providing you with peace of mind.
